

UFDC Region 9 News

Winter 2011

Alabama ~ Florida ~ Georgia ~ South Carolina

In our Region

This is doll show season! Above you will see a picture of Nancy Pillar on the left receiving a doll from the talented doll artist Berdine Creedy at the recent Peachtree Doll Collectors doll show. Winning a raffle is just one thing that you can do at a doll show.

You can also;

Make new doll friends, have a doll identified and appraised, dress a doll, get a doll strung, look for a doll club to join, find a new doll for your collection, raise money for a good cause, bring a friend and get them interested in doll collecting,

Or, you can just walk around and just have fun. After all that is what our hobby is about, fun, friendship, and learning about dolls. We here in Region 9 have lots of opportunities to go to a doll show. Look at the second page of my newsletter for a listing of Region 9 Doll events.

Hope to see you there! Deborah

Our Ebay name is UFDC dolls

Item donations for the on line auction have been coming on strong from Regions 2S, 3,11,15 and 16. From January through March, it is the turn of Region 9, 6,10 and 13 to donate. Look through your "Doll Stash" and see if there is something of value that you would like to donate. Bear in mind that we are a charity and any items that you donate may be tax deductible. I am including a donation form with this newsletter mailing.

You can find our listings at eBay.com. You can also get to our listings from our website, UFDC.org.

Because we were a new listing seller, we were only allowed 10 items a month for the first month. Now there are new dolls and doll related items listed weekly.

Check it out!

Make UFDC dolls one of your favorite sellers.
