Hi Everyone!

As fall is winding down and winter is settling in I am wondering where the time has gone. As your RD, I attended a delightful luncheon sponsored by the Dakota Doll Club on Oct. 8. They were celebrating their 40th anniversary as an organized doll club. Several long-time members were recognized and a delightful program was presented highlighting a few of the dolls that have recently celebrated a "birthday."

The newly elected RD's spent the weekend of Oct. 20-23 in Kansas City, MO attending Regional Director's Training. We learned how we can better serve all of you in our regions. We brainstormed, laughed, and learned about each other. The office staff is very friendly,

qualified and dedicated to serving UFDC. They are also excellent cooks and served us a delicious lunch during one of our training days.

I know that all of you are probably very busy getting ready for a fun-filled holiday season, but I hope that all of you have had time to read the latest and greatest fall issue of Doll News Magazine. Isn't it absolutely fantastic! The articles are terrific and so full of good information. However, please don't overlook the letters from our officers and the summaries of the convention. There are excellent explanations on some of the current challenges facing UFDC. We have a lot of work ahead for all of us as we strive to keep UFDC strong and thriving.

I hope that you have been checking in on Ebay occasionally and possibly bidding on a doll or two that tug at your heart. Region 4 is scheduled to donate items for the auction during July - Sept. It is not too early to start thinking about something that you could donate to the auction. The forms for donating items are on the UFDC website, www.ufdc.org, More information about the on-line auction can be found in Doll News.

Have the best holiday season ever!
