Hi Everyone,

I find it hard to believe that my tenure as Regional Director is coming to an end. The three years have whizzed by so quickly. I've so enjoyed all the wonderful club visits to which I have been invited, and the various luncheons that are always such fun. After the convention in New Orleans this summer, I slip back into obscurity and become a regular UFDC member. Positives are that I will now have more time to sew a dolly dress, attend my regular club meetings, and spend time in the Sales Room at convention. Good for my mood, my doll collection, the various dealers from whom I buy, and the wear and tear on my car. The downsides, of course, are not seeing my dolly friends as often and not being involved with UFDC business on a day-to-day basis.

Thank you all so much for your friendship, your input, and your support. I won't forget any one of you.

You will be getting a new Regional Director this summer by the name of Michael Kouri. Rather than a grey-haired, tired lady, you will have a tall, vibrant, handsome young man to guide you. I know that you will love him and give him the same support that you have given me.

Hugs,

Maureen
