Spring 2012

Region 15

Maine, Massachusetts, New Hampshire, Vermont

Message from your Regional Director

I have many three visits planned for this Spring. Most of our winter has seemed like Spring. I was so amazed when I heard that last year at this time Boston had 77" of snow and this year 7" so far. Down here on the Vineyard one storm dropped 12" but it was gone 3 days later. I would love to visit more clubs and line some up for this fall so please call me so we can talk about choices of programs that are available.

Around the Region

Green Mountain Doll Club has formed a committee to plan a Regional Doll Day in 2013. Brenda Thomas and Granite State Doll had the first one and it raised money for UFDC and gave people a chance to meet other people in the region. It is proving to be very popular.

Black Gold Doll Club of New England is sponsoring the Junior Collectors Tea at the convention in New Orleans. They sponsor the only Junior Collectors Club in our region; The Bumble Bee's. Please support them if asked!!

Doll Study Club of Boston is sponsoring a luncheon "Cordon Blu" at the convention in New Orleans. The souvenir will be a dress for "Marie Terese" (the Chicago souvenir doll) by Alice Leverett. The speaker will be Samy Odin who will present a program entitled "Lilas, crème de le crème of French Parisiennes.

Please let me know what you club is doing for my Summer newsletter by May 15,2012.
