**Dear Region 7 Members,**

**What a wonderful convention in San Antonio, TX. What a great hotel with lots of room for everything. It was so beautiful on top of this huge hill with about a 1000 rooms and the halls were plenty wide for two groups at one time with no problem. All of the events and programs were sooo good. Our banquet doll is really something special.**

**It is always good to see friends from earlier years and make new ones for next year. I really wish everyone would speak to everyone wearing our UFDC name tag when we meet them somewhere.**

**I gave four Doll Dialogues on my Hitty dolls. My tables were filled each time. The Special Exhibits were outstanding for another year. I always enjoy them as it has history about our babies. We had our Region 7 meeting with 18 members present! We were able to talk about our clubs and activities which is always fun.**

**I want to give a great big Thank You to all of the people who worked so hard to make convention great.**

**I wish all of you who felt well could have attended and my wish for next year is for more members from Region 7 to attend as it will be held in Kansas City, MO home of our office and museum. Please begin saving and planning now for next year's convention.**

**The theme is "A Dream Come True" and it will take place July 16 – 19, 2015 at the downtown Marriott Hotel in Kansas City. At UFDC Headquarters they have been painting, moving walls etc. to get ready for us. So many dolls to see.**
