RD's Chit-Chat

Hello Region 9! I'm delighted to have been elected your director. I'm looking forward to working with all of you and the great clubs we are so fortunate to have in our region.

Convention was an amazing success. The Competitive Exhibit, Sales Room, Special Exhibits and Helpers had something for everyone.....and maybe more than one something for many of us. The programs, seminars and workshops were also of great interest to the attendees.

For me, this convention went by in a flash. I was very busy with the Modern Competition and working with my new RD information.

The highlight of my week was my visit to our own UFDC Museum, which had to wait until convention was over. We have a world class museum! I urge all of you to visit "our" museum when you are in the Kansas City area.

Next year is another opportunity to enjoy an exciting convention. The 67th UFDC National Convention will be held in Washington DC Wednesday, July 27- Saturday, July 30. More information about this is in Unity's Newsletter.

Reminders

There are many ways to donate to UFDC. You can always volunteer your time at convention. In addition, you can donate items to our eBay auctions. There are also many funds for financial donations, in addition to the ones mentioned in this newsletter. Remember, we are the only charity dedicated to educating, preserving and conserving dolls.

Deadline for the next Region newsletter is November 1. Please send club information to my address as listed above.

Regional Files Status Form must be mailed back to me by September 25th. This information helps me when I receive inquires about doll club members in your area.
