

Fall 2017 Region 3 Newsletter

TEXAS ~ OKLAHOMA NEW MEXICO

Hello and Good Bye

A BIG thank you to Janna Daniels for her great job as the out-going Region 3 director. She is a very sweet lady. She was a great inspiration to all of you. I hope to be the same as I was elected to fill the position.

My name is Pamela Wolf. I prefer to be called Pam. I live in a very small town about 12 miles outside of Copperas Cove, Texas called Topsey. We have a 38 acre ranch.

Dolls have always been part of my life. I had them as a child and loved playing house with my Ginny and her sister Little One who are still part of my collection. The first ones that I started collecting were the Red Riding Hood dolls then I moved on to Bleuette and French Fashions. My love for sewing is what really got me interested in doll collecting. I needed to have someone besides myself to sew for. I also took pattern design classes in college so now I am doing pattern design as well as sewing for my dolls. I find both challenging. Whenever I get a new doll she immediately sparks a new design challenge.

Convention News

The convention in Orlando was so much fun. The displays of the dolls were wonderful. The Rosen Centre Hotel took very good care of us. As many of you know our doll artist was the talented Helen Kish. Her convention souvenir doll is pictured to the right. I am looking forward to making and designing some clothes for her. Region 3 member Kathy Monier was the convention journal editor and it was exceptional. There will be extra copies available through the UFDC gift shop. If you were not able to go to convention, reading this journal will help you experience the day in the life of a doll – our convention theme in Orlando. It's a must read!
