Region 9's RD Challenge Sasha Doll Display

Convention this year was amazing. It was so exciting to host all of our guests in our region. I think everyone attending had a great time. Our region grew by 23 members this year.

The RD Challenge was a huge success. The person who won our doll was delighted. A big thanks to the clubs and members who contributed everything.

This is my last year as RD. I cannot believe how fast the first two years have passed. If you would like me to visit a meeting or special event, please invite me.

Susan
