I feel so honored to be your next Regional Director so we can play dolls together and I can get to know each one of you better, I feel the need for new friend, YOU !

I hope I will be invited to each club during my three year term and will do my best to work with you on a time.

I have given programs on “HITTY” dolls, “Kewpies” dolls, and I have a collection of Madam Alexander dolls and “Alice” dolls. I also have some DVD’s on different dolls if someone in your club has the equipment to play them.

What a wonderful time was had in New Orleans at the National Convention. So many wonderful things to do & friends to see..

We had a great time at our Region 7 meeting. Anita went out with a Big Bang and she made our new members & MAL feel welcome. We will truly miss her and her great work. “Thank You Anita & God Bless.”

Let us all remember September fifteenth. It is the “Homecoming” for Arkansas’s Friendship Doll at the Discovery Museum in Little Rock, Arkansas and at 2 P.M. will be the unveiling of Miss Kyoto-shi. The Governor plans to attend and help us celebrate so let us all make plans to come and all spread the word and have a fun day.

I was invited to attend the Junior Collectors ‘Tea and was so impressed with what I saw and heard. The children were all so beautiful in their ‘Tea’ cloths and they were able to take home a doll after they played games & were served cookies & tea. They were members of the Children Museum and many thanks to Jeri Robinson & Cheryl Brown-Greene for their great job.

I have the Quarterly Regional Contributions from our Region clubs.

*Acadiana Babes Fundraising General
Central Arkansas Doll Club – Library, Real Services,
 Building General Fund
 Regional Directors Fund*

It has been a very bad few months as the club had several deaths.

Kristy Neal - - Junior Collectors Fun

I even tried to support UFDC in my own way by entering dolls in competition, everyone knew their jobs and were a great help in getting them entered currently.

It was fun I only wish I could have heard the judges as they judged.

We were all sad to learn of the sudden death of a region 3 member Becky Wallace when we arrived in New Orleans .She was a loving ,kind generous person and fun to be with wearing a cute hat .She will be greatly missed in UFDC.

Let me hear from all the clubs as I want to know what all of you are doing.

LaVera Johnson, RD. The next dead line is Nov.3 - Help me out clubs.
