What a wonderful National Convention in Washington D.C. There were over a thousand people in attendance so there were doll people everywhere, laughing and having a wonderful time. The food was good and the ticked events were excellent. I wish everyone could have enjoyed it with us. It was exciting just being in our National Capital.

We had our Region 7 meeting with 10 members present. It was wonderful to see our group together to visit so far from home. There was a door prize for each person in attendance as they arrived.
