eBay Donation

Ms. Betty A. Nebes (2 donations)

Most of the donations to UFDC for eBay sales have sold and more are needed. Be sure to include a description of the items in the package with your donations. The person who is responsible for listing the items does not always recognize what the items are and an accurate description is essential for getting a good price on eBay.

San Mateo County Fair

In the Winter Newsletter I mentioned UFDC's Region 2N Sponsorship of two Challenges at the San Mateo County Fair. Our sponsorship of these challenges allows the set up of a free display, advertising our organization. This way we can reach a new group of people with information.

The two challenges are: **Cloth Doll – Hurray for the Red, White & Blue** and **Fashion Doll Historical Costume before 1950**. We need to have at least 6 entries in each challenge for the dolls to be displayed and judged. I am counting on the very talented members of our Region to make this happen. You do not need to live in San Mateo County to enter. In fact you not even need to live in California; so members in Utah and Nevada can participate as well.

I am sending the competition rules, entry forms and information about the fair to each club president and each member at large. I will also try to attach them to the newsletter as well. If you notify me that you would like to enter, but live a distance away, you can send the actual entries to me and I will deliver them and pick them up and return them at the end of the fair.

Below is a picture of a doll that would fit into the Hurray for the Red, White & blue challenge:

It is an all felt doll by Louise Bierey in Red, White & Blue.

This is a traditional style, but art dolls would be great too.

All types of cloth dolls are acceptable including ones that have a painted surface.

I will be at most of the doll events that are listed in the Newsletter. Stop by my UFDC Table and say 'Hello'.

Check out the latest copy of Doll News for registration forms for the UFDC National Convention in Orlando FL. I hope to see many of you there as well.
