

## UFDC REGION 6 SPRING NEWSLETTER 2013

Hi all:

I sit and write this with lovely snow falling outside...we have had so little this year, so to see it is nice...and fortunately there is nothing to do tomorrow if we end up snowed in! Time to work on those unfinished projects (as mine always are) and do some good housecleaning...or better yet, just curl up with a good book (or doll magazine!) and a cup of tea.

It's time once again for the Denver Table Mountain Treasures Doll Club Doll Show and Sale. As usual, it will be at the Jeffco Fairgrounds in Golden, CO. Please see the attached flyer for all the details. A very few sales tables are still available, so think about coming out and joining the fun as a seller and

making a little doll money. Or, if you don't have anything to sell, please join the club for the show and sale. This year there will be a workshop offered by Linda Wall...it is a darling 3.25 inch bisque doll already completed for you, for which you will make a christening dress. Linda's work is delicate and lovely and the workshop is a very affordable \$25. The deadline for signing up is March 1, with Judy at 303 698-0561. Same number to sign up as a seller.

There will also be a presentation and doll signing by Helen Kish.

The Second Darby, Montana, doll show will take place again this summer ....The ever energetic Kay Schrader will be heading it up again this year. It will be June 28 and 29<sup>th</sup> at the Darby Community Clubhouse at 106 N. Main (US93), Darby, MT. This show is so thoughtfully done, as \$2.00 or a pet item for the Missoula no kill shelter will get you entry, and kids up to 13 are free when accompanied by a doll or bear. Could it be any sweeter? So please support the show so we can announce a "Third Annual" next year!

Once again we thank our wonderful UFDC donors for this quarter:

Bonnie Cotton, Montana, in honor of Mary Zoch

Kay Schrader, Montana

The Second Childhood Doll Club of Greeley, CO

As you probably know, UFDC is the only charity dedicated to educating, preserving and conserving dolls. Our hobby's existence and the value of our collections depend on keeping

UFDC a vital and functioning organization. We only exist through the support of our members. You all are the best! We are so grateful for your support and encouragement, and we thank you so very much!

UFDC is also becoming quite tech-savvy. Did you know that we now have a Facebook page? I encourage all of you to visit it and “like” it. You can also set up doll groups on Facebook with the friends you choose and share pictures and information. I belong to one and it is wonderful...the info people have and share is absolutely incredible, and the camaraderie and enthusiasm infectious. Also, the UFDC web site is the best it has ever been, with notices of doll shows and other events. Keep it in mind when you are looking for information.

We have two new MALS this quarter, the Pikes Peak Library District, and Ms. Lesley Sanchez, each from Colorado Springs. We are thrilled to have you !

The Pikes Peak Library District was sponsored by the Doll Study Club of Colorado Springs. I would like to encourage the clubs again to consider sponsoring their local library for membership. It is a wonderful way to publicize the hobby and to get new people interested, and also to encourage libraries to continue to offer paper publications together with their digital media. Again, please consider this idea when you are thinking of charitable donations, as it helps both UFDC and the library as well as our hobby overall.

That’s about all the news for this quarter. Looking forward to seeing you all in Washington D.C. this summer for “A Capitol Affair...”
