Spring 2013

Region 15

Maine, Massachusetts, New Hampshire, Vermont

Message from your Director

"I hope our winter will be very mild like last year but being snowed in is always an opportunity to catch up on doll things" Words from my Fall newsletter! Well the winter has not proven to be mild but I am catching up on doll things. Withington's will be here this weekend visiting five homes including mine and I am so excited to be doing some cleaning out.

The first two weekends of April I have trips planned to Maine-ly Dolls and Nellie Perkins Doll & Min. Society where I will present my program on "The Carved Wooden Dolls of Switzerland". Then towards the end of the month I will be visiting Happy Hobby Doll Club to celebrate an anniversary and Black Gold Doll Club of New England where I will present a program on the "Turner Sisters and their Peddler Dolls".

There is a little time left if you would like me to visit your club and do a program as this is my last year. Please contact me if you are interested.
