Club Delegates to Convention:

Delegate packets are with this mailing and should go to each club delegate for convention. Delegates do not forget to attend the Annual Meeting and your regional meeting, and the open forum. You will need photo I.D. and membership card to certify before the annual meeting.

Region 3 had no new members this quarter. We need to get out there and work on membership this summer. Send good ideas, upcoming shows or activities with your delegates so they can share at regional meeting.

My Visits around the Region

In February, I attended a Mardi Gras Luncheon, sponsored by the Metrocrest Doll Collectors Club in Dallas, TX. Several clubs came together to share and celebrate the traditions of Mardi Gras. A lovely lunch was served, ending with Kings cake. The

program showed the traditions and collectables of the celebrations in New Orleans. The participants went home with a Barbie (Queen of the Mardi Gras). I had a wonderful time visiting with new and old friends. Thank you Metrocrest Club for a lovely day.

In April, three of my doll club friends and I traveled to Los Lunas, New Mexico for a Spring Fling Lunch. The Desert Dolls, Albuquerque Antique and Modern DC, and the Sandia DC. joined to make the luncheon a success. The tables were set up for May Day, so our travel dolls lined up and looked precious. The food was great and everyone there took home a door prize. I spoke a few minutes about UFDC and gave convention information. It was a very good Spring Doll Day.

Important Notice: There are convention attendees out there looking for roommates Kansas City. Please contact Headquarters at 816-891-7040 if you are looking for a roommate.
