Message from your Regional Director

Now that we are done (hopefully) with winter and the record mounds of snow, can you believe it we still need rain?! Anyway this Club year I only visited one club before Christmas. I have one more year to go—so if I haven't visited your club yet or you'd like me to come back, I'm accepting invites.

I just attended the Region 14 Regional Convention in Albany, NY which was a smashing success. We have our own Region 15 Regional coming up in 2017. As my term as Regional Director comes to a close next year it is time for someone to step up to the plate. I would love to have all Region 15 Presidents suggest someone that could take over this wonderful position in 2016. I love my interaction with the clubs in this region as they have given me a wonderful sense of community.

In another month and a half and I will be on my way to the 66th Annual UFDC Convention. This will be my 15th convention. Each one is more exciting than my first. Looking forward to seeing many members of this region in attendance.

2015 UFDC Region 15 Convention Action

I hope that all of my Region 15 attendees for the 66th Annual UFDC Annual Convention will go to the **Open Forum** to voice their opinions that will make this organization more viable.

Convention Helper Items Needed!

Even if you cannot attend the convention you can still send a donation.
