Greetings,

It has been an extremely busy Spring. The Princeton Doll and Toy Museum had a wonderful luncheon that raised much-needed funds for this local UFDC Member museum. The Colonial York Doll Club invited me to give a program on my favorite topic Käthe Kruse dolls. The lunch provided was wonderful! Mullica Hill had a party for their 25th Anniversary. The theme was Mary Hoyer dolls, which is another favorite of mine. They even had a Mary Hoyer cake! The Twin County Doll Collectors doll show was excellent. They had numerous door prizes and are working very hard to increase membership. The Elizabeth Haddon luncheon was great fun as always. The Halloween theme was a lot of fun. There were some terrific decorated witch hats. As always, the souvenir was charming. Next year will be their 40th luncheon!

Best regards,
Jon

Carpooling to Convention

Is your club carpooling to convention? Some MALs have contacted me looking to share a ride to convention. If you have extra space, are hiring a bus, or are looking for someone to share expenses, please contact me.

Up for Adoption

I recently donated the Volland Raggedy Ann and the pristine Molly-es Outfitters Andy with box (see Doll News, fall 2015) to the UFDC Museum. They and other dolls need adoption through the Adopt-A-Doll Campaign. The Adopt-A-Doll Campaign is an important tool in protecting and conserving dolls for future generations. Please consider adopting a doll today.

UFDC Convention Public Day

If you cannot make it for the full convention, consider coming to Washington, DC for the public day on Friday, July 29th. The Salesroom, Publisher's Preview, and Artist's Showcase are all open to the public. It will also be a chance to socialize with fellow UFDC members.

Käthe Kruse Dessert Party

OK, what could be better than my two favorite things: Käthe Kruse and *dessert!* Join me for this wonderful event hosted by R11 club Sugarland Searchers Doll Club. It will also be a chance to meet Marion Hohmann and Robin Lehnert from Käthe Kruse. The souvenir doll is just charming.

Gail Wilson Dinner

Our R13 Red Rose Doll Club is hosting the Gail Wilson dinner. R13 member Andy Ourant will be doing the program exploring the connections children will have with their dolls. The souvenir is a 9" Gail Wilson doll.

Symposium: The Dolls of Dewees Cochran

The UFDC Museum is sponsoring a symposium on American Doll Artist Dewees Cochran. This will be a two full day event at the museum. Hotel, lunch and shuttle service is included. This is an excellent opportunity for in depth study of one of America's finest doll artists. She is known both for commercial work with F&B as well as her own dolls. She was known for her experimentation with new materials. For more information, check the UFDC website:
