A Day in the Life of a Doll
[Souvenir Doll by Helen Kish](#)

Orlando, Florida
Rosen Centre Hotel
August 2-5, 2017

Plan to arrive early for additional activities and events, to include tours.

Don't forget to visit the Mini Office, to:

- Volunteer during Convention
- Sign-up for workshops and seminars that still may be available.

Region 6's 2018 Phoenix, AZ Convention Challenge - Is looking good!

Our Theme: **Life of Margaret Brown** or "The Unsinkable Molly Brown"

Time Period: 1884 – 1932

All ticket proceeds from our display will go toward the support of the UFDC Museum.

So far, people have donated the following items:

- 18" reproduction turned head Kestner representing Molly Brown
- Reprint of St. Louis Post-Dispatch, April 16, 1912 Linda E. Wall
- Dresser and candle sticks Rebecca Rice
- Bible Janice Aguilar
- Bible, rosary, walking stick, hankie & glasses Diane Hoffman

What a fun project for Clubs to participate in creating items, and benefiting UFDC Museum, at the same time.

We still need additional accessories, clothes, hats, gloves, trunks, etc. for this worthwhile cause.

Please let me know, what you or your club is planning on contributing to the display. My deadline to mail this project, is June 1, 2018.

Thank you for your support!
