

UFDC REGIONAL NEWSLETTER

Summer 2013

Region 15

Maine, Massachusetts, New Hampshire, Vermont

Message from your Director

Thinking winter was over I was off to Maine for a visit to Maine-ly Dolls Club and to present my Carved Wooden Dolls of Switzerland program in early April. Old man winter decided to have one last blast as pouring rain turned to snow for the weekend. The next weekend I presented the same program to Nellie Perkins Doll and Min. Society in New Hampshire. It was nice to not unpack the dolls from the car between visits. The following weekend I visited Black Gold Doll Club of New England where I presented a program on the Turner Sisters and their Peddler Dolls. Last but not least I visited Yankee Doodle Dollars in Acton and presented my program on Frozen Charlottes. I was unable to make it to Happy Hobby Doll Club and their annual Birthday Party.

This is my last newsletter and I have had a wonderful time traveling around the region and meeting so many wonderful people who are dedicated to UFDC and its mission.

A special thanks to Diane Gardenour of Nellie Perkins Doll & Min. for overseeing the Region 15 Traveling Doll and Book exhibit for the last 3 years.
