REGION 1 QUARTERLY NEWSLETTER

Alaska, Idaho, Oregon, Washington

Vicki Newhouse, Director
Winter, 2016

From: *Vicki*

I just did a little fall housekeeping in the doll room. Do you have any UFO's? (un-finished doll projects) Yes, those dolls you want to dress, kits to complete or convention workshop projects to finish up. Why didn't I get them done as soon as I arrived home? Oh, well – sometimes life gets in the way.

I placed all of them in an open box in the order I wanted to tackle them. Next I made a list of titles of each project to place in the front of the box.

Now, as time permits, I can take one out, complete it and mark it off the list. Ah, the great feeling of accomplishment. Most of all – have fun. That's what our hobby is all about.

We're thankful for our many new Members-At-Large. So glad you joined us!
